

NOTICE

PERMANENT VACANCIES

Reference to Notification published in school Website during March 2020 regarding selection of PGT Chemistry and TGT Computer Science for the school.

Request received from aspirants who were not able to apply for the above posts due to COVID-19 restrictions have been considered by the school authorities.

Since selection process has not yet started those who are willing to apply for the posts further may apply. Offer to apply is open till the situation improves and transport facilities are restored to normal. All those who have applied earlier need not apply again. Last date and further course of action will be intimated later through school website as per the change in situation.

All conditions with respect to qualification, age limits and payment of fees are same as per notification published earlier.
